Title:

Institution:

Mailing Address:

E-mail Address:

Telephone:

Fax:

All applicants must be current members of the Council for the Study of Community Colleges (CSCC) at the time of submission and have not received a research grant from CSCC in the last five years:

Signature (one of the grant proposers)

Date

The Council *for the Study of* Community Colleges

II. Project Description

The description and budget must be on separate pages that do not contain information that would identify the individual(s) submitting this proposal.

Please provide a succinct description of the proposed project that includes the following:

- Purpose of investigation
- Research objectives and questions
- Significance of the study for community college researchers and practitioners
- Brief literature review
- Research methodology
- Potential implications for community college research and practice
- Project timetable
- Human subjects approval required

**Maximum length of Project Description (excluding Budget and references):
10 pages (maximum), double- spaced, 12- point font**

III. Budget (not less than \$500 or more than \$2000)

Please provide a brief rationale for funds requested within each category (how will funds support the project):

Category	Rationale	Amount
Personnel*		
Clerical support		
Contract services		
Postage		
Materials/Supplies		
Travel		
Other		
Total		

*For example, researcher compensation, graduate assistant

If the project will be supported through other funds, as well, please indicate this in a narrative statement.

The Council *for the Study of* Community Colleges

Requirements and Guidelines

1. All project investigators must be a current member of the Council for the Study of Community Colleges at the time of submission.
2. Project investigators who received the research grant from CSCC in the last five years are not eligible.

Submit one electronic, signed copy of the entire proposal by Midnight (EST), Friday, January 13, 2017 to:

Duane Akroyd
College of Education, Box 7801
North Carolina State University
Raleigh, NC 27540
Office: 919.515.1745
Email: duane_akroyd@ncsu.edu

3. The CSCC Vice President of Research and Publications and at least two additional CSCC members will evaluate proposals.
4. Evaluation criteria include:
 - Potential for the project to contribute to the professional body of knowledge about community colleges, including, but not limited to, community college teaching and learning, leadership, administration, policy, student success, international issues, governance and finance.
 - Potential for the project to contribute to practice within community colleges.
 - Proposal quality, including
 - clarity of information provided
 - demonstrated knowledge of relevant and recent literature
 - appropriateness of research methodology
 - adequate details of research methods and procedures and,
 - feasibility of the timetable.
 - Adequacy of budget to support project to include personnel and research expenses
5. The Vice President of Research and Publications will notify the President of CSCC of the committee's decisions, and the President will arrange for payment to award recipient(s) at the annual general meeting.

6. Award recipients are required to:
 - Acknowledge support from CSCC in publications that result from the funded research project.
 - Provide the CSCC Vice President of Research and Publications with a copy of the resulting research report, draft manuscript or publication that is based upon the funded research project. This must be submitted within two years of the receipt of the award. This document will be maintained as a permanent record of the Council's activities and may be posted on the CSCC website.
 - Submit a copy of their institution's human subject approval, if applicable.
 - Present at the 2018 CSCC annual conference.
